TO COLLECT WHAT YOU ARE OWED

Utilize our invoice, billing, and collections services and discover why our clients see an average of 20% improvement on collection rates

It's not always easy to identify opportunities or disconnects in the complex billing process associated with default servicing. Inefficient processes lead to missed billing opportunities or rejected invoices that adversely impact cash-flow.

Our team boasts a combined average of over 16 years experience so it's safe to say we know what to look for when it comes to improving billing and working with servicers.

Our Billing & Collections service is compliant with all servicers' requirements and we keep lines of communication open with monthly calls.
