

EXPRESS NOTARY SERVICE

National Notary, RON, and Signing Agent Solutions

How do you like to close? Hey, us too.

When you partner with Express Notary Service by a360inc, we do business your way. Our CloseClear platform was specifically created to manage your closings, your way, powered by the best technology in the business. The platform includes all of the latest tech developments needed in our space including iPEN (in person electronic notarization), RON, a truly robust reporting panel, and a complete API integration suite to seamlessly work with any other platform your business uses.
